1. Member's Directory

We are hoping to create a dedicated section on the Green Door website to showcase you and your work. The information we gather will also be used to promote you during our exhibitions and events, as well as over our social media channels. If you would like to be included in the directory, please complete our Member's Directory form, which can be found via the Member's Area.

2. Online Shop

If you would like to add any items to our online shop, we are currently looking for handmade items / gifts / greeting cards. Please send details of your items (prices to include 30% commission) via email to Pan along with a photograph or scan of the item for promotional use.

3. Loyalty Card App

We have now implemented a new loyalty card system in the studio! The old stamped card system will still be in place for those of you who don't want to use the app, but if you would like to update to the new system please follow the instructions below:

- Download the **Loyalo Card** app on your phone via the Google Play Store, or scan the QR code above.
- Set up your account with your details.
- When you are next in the studio, scan your QR code at the end of the session to receive your points.

There will be a number of rewards including free sessions, money off materials and discounts on membership.

4. WhatsApp Group

It has been suggested by a few members recently to start a Green Door WhatsApp community so we can all share current news, ask questions and get to know each other when not in the studio! If you don't already have WhatsApp on your phone, you can download it via the app store. To join the community ask Pan when you are next in the studio or scan the QR code above.

5. Christmas Party

Join us for our annual Christmas Party on Sat 16th Dec (11am - 4pm). Bring along a sweet and a savoury to add to the buffet as well as a print you have created this year to add to our secret santa. Family & friends welcome!

Members of Green Door Printmaking Studio have been invited to fill the exhibition spaces of Déda (centre for Dance, Movement and Creativity, located in the heart of Derby) from Jan-Mar 2024. Participants in the group exhibition should plan to create a series of their own in response to the theme (somewhere between 1-6 pieces of work each depending on chosen scale). For more information, see the Member's Area or come along to our next scheduled meeting.

9. 20:20 Print Exchange
